FLASH TECH TRAVEL & EXPENSE POLICY AGREEMENT

This Flash Tech Travel & Expense Policy Agreement ("Agreement") sets forth the binding rules, operational standards, expense reimbursement guidelines, and legal liabilities for W-2 technicians ("Technician") assigned to out-of-state or travel assignments by **US In Home Services** ("Company").

1. ELIGIBILITY & QUALIFICATION STANDARDS

- **Performance Requirement:** Participation in out-of-state Flash Tech travel assignments is a privilege, not a guaranteed right. Eligibility is restricted strictly to technicians who maintain a performance rating of **B-Rank or higher** at their home branch.
- **Selection & Revocation:** The Company evaluates recent repair quality, customer satisfaction ratings, first-time fix rates, and ticket completion efficiency prior to assignment. The Company reserves the right to deny or revoke travel eligibility at any time for performance or disciplinary reasons.

2. PERFORMANCE-BASED DAILY INCENTIVES

In addition to standard base commissions, Technicians earn performance bonuses calculated based on their **Daily Average Completed Tickets** over the duration of the Flash Tech assignment:

Daily Average Completed Tickets	**Additional Performance Bonus**
7.0 or more tickets / day	**+$10.00 extra** per completed ticket
5.0 to 6.9 tickets / day	**+$5.00 extra** per completed ticket
4.0 or fewer tickets / day	**Standard base commission only** (No extra bonus)

Incentive bonuses are calculated at the end of the travel assignment cycle and paid out on the corresponding regular pay period.

3. MEAL ALLOWANCE & RECEIPT SUBMISSION GUIDELINES

- **Daily Meal Cap:** Meal expenses are reimbursed based on actual, itemized spent amounts up to a **strict maximum of $30.00 USD per day**.

- **Same-Day Receipt Submission:** Itemized meal receipts must be photographed clearly and submitted electronically on the **same day** the expense is incurred.
- **Readability & Discretion:** Receipt images must clearly display the vendor name, date, time, itemized food purchases, total amount, and payment method. If a receipt is blurry, damaged, incomplete, or illegible ("Not Clear"), the Company reserves the absolute right to **reject reimbursement**.
- **Grace Period & Penalties:** A strict **48-hour grace period** is granted for inadvertent submission delays. Chronic or persistent late submissions will result in immediate removal from the Flash Tech travel program.
- **Strict Alcohol Prohibition:** Ineligible Items (Strictly Non-Reimbursable):

Meal reimbursements are limited strictly to ordinary food and non-alcoholic beverages consumed by the technician. Reimbursement is STRICTLY PROHIBITED for: Alcoholic beverages (beer, wine, liquor, etc.). Tobacco, e-cigarettes, vaping products, and nicotine items. Controlled substances, cannabis, marijuana, THC/CBD products, or any illegal/recreational drugs (regardless of legal status in the destination state)

If any non-reimbursable items appear on an itemized receipt, the cost of those items will be deducted, and only eligible food/beverage costs will be reimbursed up to the daily cap.

- **Non-Reimbursable Items**

US In Home Services will not reimburse any expenses related to the purchase of alcoholic beverages, illegal or illicit substances, or any other prohibited substances. Over-the-counter (OTC) medications and other personal-use medications or substances are also ineligible for reimbursement under this meal agreement. Any such purchases must be paid for personally by the employee and may not be included in meal expense claims or submitted for reimbursement.

4. ACCOMMODATIONS & COMMUTING RULES

- **3-Star Hotel Standard:** The Company arranges and pays for lodging rated at a **3-Star level or above** (e.g., Extended Stay America, Residence Inn, Hampton Inn). Accommodations meeting this standard are deemed final, safe, and suitable; objections, complaints, or unauthorized alternate room bookings by Technicians will not be accepted or reimbursed.
- **Ordinary Commute Rule (Non-Compensable Time):** Pursuant to the Fair Labor Standards Act (FLSA) guidelines, travel time between the hotel and the

first worksite of the day, as well as travel time between the final worksite of the day and the hotel, is classified as an **ordinary commute and is unpaid**. Only transit time between job sites during the workday constitutes compensable hours worked.

5. VEHICLE USE & STRICT PERSONAL MILEAGE LIMITS

- **Authorized Vehicles:** All travel transportation is **restricted exclusively to Company-provided rental vehicles**. Use of personal vehicles for Flash Tech assignments is strictly prohibited.
- **Strict Personal Mileage Cap:**
    - Rental vehicles must be operated strictly for official business transit between **[Hotel ↔ Worksites ↔ Local Dining/Groceries]**.
    - Unauthorized personal trips, joyriding, sightseeing, or out-of-state travel are **strictly prohibited**.
    - Personal usage of the rental vehicle is capped at a maximum of **15 miles per day or 100 miles total per assignment**.
    - **Violations:** Any Technician who exceeds the personal mileage threshold or engages in unauthorized personal travel will face **immediate disqualification from the Flash Tech program** and will be required to fully reimburse the Company for all excess fuel, mileage fees, and rental overhead costs.
- **Fines & Violations:** Technicians are 100% financially responsible for all traffic violations, speeding tickets, parking fines, and unpaid toll charges incurred during the travel period.

6. ASSET PROTECTION, LOSS, DAMAGE & LEGAL LIABILITY

- **Inventory Control:** Prior to departure, Technicians must inspect, verify, and sign for all Company parts, tools, diagnostic equipment, and supplies. Technicians are accountable for reconciling all remaining inventory upon return.
- **Property & Vehicle Care:** Technicians must maintain cleanliness and proper care for all Company equipment, hotel rooms, and rental vehicles.
- **Financial Recovery & Legal Remedies:** In the event of loss, theft, destruction, or physical damage to Company parts, tools, hotel property, or rental vehicles resulting from technician negligence, reckless driving, driving under the influence (DUI), or unauthorized personal use, the Technician assumes full financial

responsibility. To the fullest extent permitted by applicable federal and state labor laws, the Company reserves the right to seek direct financial restitution, execute payroll deductions, and pursue **civil and criminal legal remedies**.

EMPLOYEE ACKNOWLEDGMENT & AGREEMENT

I hereby acknowledge that I have read, thoroughly understand, and agree to abide by all the terms, policies, performance standards, meal allowance rules, vehicle restrictions, and liability clauses set forth in this **Flash Tech Travel & Expense Policy Agreement**.
