As an appliance technician of **US In Home Services**, I acknowledge and agree to the following:

1. **Responsibility for Parts:** I am fully responsible for all parts assigned, checked out, or provided to me for service calls.
2. **Proper Tracking and Handling:** I will handle all parts with professional care, ensure they are properly tracked in the system, and return unused or core parts as required by Company procedures.
3. **Loss or Misplacement:** If any part is lost, misplaced, or mishandled due to my negligence, and to the extent permitted by applicable federal and state laws, I may be held financially accountable for the replacement cost, or the Company may pursue reimbursement through legal or agreed-upon administrative methods (excluding unlawful direct wage deductions that violate minimum wage laws).
4. **Disciplinary Action:** I understand that repeated loss or mishandling of parts violates Company policy and may result in disciplinary action, up to and including termination of employment.
5. **Mandatory Use of Floor Protection:** Technicians are strictly required to use protective floor mats at all times when moving, installing, or servicing any appliance.
6. **Photo Documentation:** A clear, timestamped or verifiable photo showing proper floor mat usage **must** be uploaded and submitted for all service tickets.
7. **Liability for Damages:** If property/floor damage occurs and required photos are not provided to prove the use of protective floor mats, the technician may be held financially responsible for the cost of the damages, to the extent permitted by applicable federal and state laws.
8. **Cost Sharing Limit:** Where applicable and permitted by law, the technician may be responsible for up to 50% of the total cost of damages, not to exceed \$1,000 per incident, resulting from failure to follow this safety protocol.

By signing below, I acknowledge that I have read, understood, and voluntarily agree to the above policy.
