

Flash Technician Travel & Out-of-State Policy

Standard Operating Procedure & Compliance Guidelines for W-2 Field Operations

Effective Date: Upcoming Payroll Cycle, 2026

Applies To: All W-2 Flash Technicians, Field Staff, and Operations Management

1. PURPOSE & SCOPE

As US In Home Services expands its operational reach, designated **Flash Technicians** may be dispatched for out-of-state travel to handle urgent deployments, specialized field services, or regional service surges. Because all technicians are now full-time W-2 employees, travel operations, safety standards, timekeeping, and expense policies must strictly adhere to federal, state, and company compliance regulations.

2. DISPATCH, SCHEDULING & TIMEKEEPING (W-2 COMPLIANCE)

- **Authorized Travel Only:** Flash Technician travel must be officially approved and scheduled through the management and dispatch system (EarlyRepair) in advance. Unapproved travel will not be compensated or reimbursed.
- **Strict Time Tracking:** Travel time that qualifies under federal/state labor laws must be accurately recorded. Clocking in and out via the company app is mandatory throughout the travel period. Off-the-clock work is strictly prohibited.
- **AHS App Location Sharing:** In accordance with company policy, technicians must keep the AHS mobile application's location-sharing feature active during all working and travel hours for safety and dispatch optimization.

3. COMPANY VEHICLES, ASSETS & CAR IQ PROTOCOL

- **Vehicle Usage:** Out-of-state travel must be conducted using designated company vehicles equipped with Car IQ. Personal vehicles are not permitted for Flash assignments unless explicitly authorized in writing.
- **Vehicle Security & Maintenance:** Technicians are strictly responsible for the security of company vehicles, tools, and inventory while on the road. All fuel and authorized travel expenses must be processed via Car IQ protocols.
- **Prohibited Operations:** Unauthorized personal detours or non-business usage of company vehicles during out-of-state trips are grounds for immediate disciplinary action.

4. PERSONAL COMPANIONS & FAMILY TRAVEL POLICY

Important Rule on Non-Employee Companions (Spouses/Family): While employees may occasionally choose to have family members accompany them during personal extensions of time, ****Flash Technician out-of-state trips are strictly business deployments.****

- **Zero Company Financial Liability:** US In Home Services will not cover, reimburse, or subsidize any additional costs associated with accompanying family members or spouses (including increased hotel rates, additional guest fees, extra airfare, meals, or incidental expenses).
- **Insurance & Liability Exclusion:** Company commercial vehicle insurance and liability policies cover authorized W-2 employees only. Non-employees (spouses, family, guests) are strictly prohibited from riding in company service vehicles during work assignments.
- **Uncompromised Focus:** Field technicians are on duty during service hours. Companions must not interfere with job execution, customer interactions, or safety protocols.

5. TRAVEL EXPENSE REIMBURSEMENT & PER DIEM

Expense Category	Policy & Limit	Documentation Required
Lodging	Company-booked standard corporate hotels only.	Itemized hotel folio (No personal incidentals).
Meals (Per Diem)	Authorized daily meal allowance as per company schedule.	Original itemized receipts submitted via expense portal.
Fuel / Tolls	Covered via Car IQ or approved corporate card.	Car IQ logs / Receipts.
Family / Guest Costs	100% Employee Self-Paid. Separate billing required.	N/A (Company will reject/deduct from pay if charged to company).

6. ACKNOWLEDGMENT AND AGREEMENT

By participating in Flash Technician out-of-state travel, you acknowledge that you have read, understood, and agreed to comply with all terms outlined in this Travel Policy. Failure to comply may result in revocation of travel privileges, disciplinary action, or adjustment of employment status.

By signing below, I acknowledge that I have read and understood the Flash Technician Travel & Out-of-State Policy outlined above and voluntarily agree to its terms.
